

YOU GO GIRLS!

DESIGNER TRAVEL

June 2011

Dear Traveling Ladies-

Getting out a newsletter is a challenge but I like it. It is like sitting down to share a cup of tea with you. And YOU put the YOU in You Go Girls! One lump or two?

If you need to plan your travel with a long lead-time, I am announcing the 2011 calendar. A deposit will hold your space. Travel is on a big comeback now and trips may fill. My commitment has always been to not exceed 20 guests per trip. Be sure you are on the boat if you want to be.

See you on the road-

Marcia

PACKING ON TV

On May 24, KGW, the local NBC affiliate, featured me as their packing expert for a segment on avoiding baggage fees by packing light. It was also picked up by the Seattle affiliate. If you missed it click here to watch it now.

PACKING TIP

A toothbrush is one of the most frequently forgotten items when packing. To avoid this glitch, keep one packed in your toiletry bag at all times. When the dentist gives me one at my cleaning appointment, I stick it into my travel bag along with the little tube of toothpaste. Keeps me always ready for my next adventure. Try it.

To keep from leaving it in the hotel bathroom I have found a great little item. It has a suction cup attached to a toothbrush holder. Because it is stuck onto the mirror I see it and don't forget it in a far away hotel. I found mine at the local Storables Store but they are on Amazon for \$2.19 if you search for Trailhead Smile Toothbrush Holder.

SANTA FE and TAOS

September 2011

A small group of ladies have contacted You Go Girls! regarding a trip to Santa Fe in the fall of 2011. If you are interested in joining let me know. The date is not set yet but the best guess would have it in late September, just in time for the chili pepper season and the spectacular fall foliage in New Mexico. It will probably include a night in Taos to enjoy the art scene there and possibly a visit to the Gruet Winery for a tasting of their fine champagne.

GREAT TASTE TOURS

You Go Girls! provides travel services to other companies such as Thrifty Girl, Summit League and Great Taste Tours. Some of you have expressed interest in the distillery tours that are the base of GTT. Their tours are created for liquor storeowners but anyone is welcome. They feature VIP tours of distilleries. However, to clarify the tone, the tastings are serious and considered "tastings" not "partying". A great deal of information is provided on your favorite spirits.

The groups are open to men and women.

The next events are-

Nashville/Louisville – Bourbon and BBQ

November 1-7, 2010

\$1495 based on double with airfare

Beer, Bourbon and BBQ Festival in Nashville is a part of this as well as visits to Maker's Mark, Woodford Reserve, Buffalo Trace, Jim Beam, Jack Daniels and 4 Roses.

Cognac, France

March 26-April 3, 2011

\$3495 including air

If Remy Martin, Courvoisier, Martell and Otard are your favorites, then this is the trip for you. Cognac and Paris are included. Cheers-
