This special You Go Girls! offering is uniquely designed for grandmothers, mothers and little girls.

Sharing the joy on the face of a young girl catching her first glimpse of the Eiffel Tower is priceless. That is only the beginning. What about the moments when the Mona Lisa, Hall of Mirrors and Arch d'Triomphe come into view? Countless memories are waiting.

The perfume museum exposes our noses to the wonders of French perfume. The Louvre treats our eyes to the world's greatest masterpieces. Versailles' opulence offers a glimpse of history filled with romance and treachery. Croissants, creperies, picnics and chocolatiers treat the taste buds.

## MOVE AT A CHILD'S PACE

We will move at a pace comfortable for the girls with art and craft projects, songs and a fashion show to fill our days. Rides on subways, bateaux, a funicular and carousel keep things interesting.

Madeline introduced us to Paris and now we explore it together with an itinerary catering to these special girls at this special time.

## PROPOSED ITINERARY

Day 1 Depart USA

Day 2 Arrive Paris

Day 3 Eiffel Tower visit with elevator ride to the top, lunch and Bateau to Notre Dame Cathedral to meet the gargoyles up close

Day 4 Primtemps Fashion Show and visit to Perfume Museum with a hot chocolate and pastry break at Angelina's. Oh, yummy!

Day 5 Montmartre and its artists are calling. The funicular takes us up the steep hill to the Sacre Coeur and Montmartre. Le Petit Train de Montmartre will take us on a short tour of this Bohemian neighborhood. You will have time to commission a sketch of yourself from one of the starving artists if you choose. Afternoon at leisure.

Day 6 Morning visit to Versailles, the palace of the Sun King with afternoon free. Mom's Night Out. Girls have a slumber party in the hotel with a picnic dinner, snacks and a craft project in the care of Marcia Miller our tour escort.

Day 7 Day free for museums and shopping. The Louvre is a must and the other suggestion would be to visit the d'Orsay for the remarkable Impressionist works.

Day 8 Morning departure for home

Lots of surprises are waiting. To tell them all will ruin the fun.
