ITINERARY

Day 1 - Arrive in Reno, Nevada and transfer by van to Greenhorn Creek Guest Ranch. Take a big breath of the fresh air and slide into your jeans for wine and cheese before and dinner. The sing-along around the campfire gets you in the spirit of the week.

Day 2 - Start the day with a morning stretch by the pond, then swing your leg up and into the saddle of your specially chosen horse. We ride out to the hamburger cookout for lunch. We return from the High Sierra Medicinal Herb Walk and a chance to learn some new ideas from the old. Line dance is in the saloon after dinner.

Day 3 - Pop on your best cowgirl hat after morning stretch. We are off for a ride or you can drop a fishing line in the pond. You may want to go for a swim in the pool instead. It's your vacation. Do as you will, but it is going to be fun to learn to twirl a rope like Annie Oakley this afternoon. The evening provides a chance to complete a fun craft project, a little memento to take home.

Day 4 - In a purple haze we must return home. We are certain you will want to make this an annual event. Now you are a part of the family.
