

SPACE IS EXTREMELY LIMITED FOR THIS ONCE EVERY TEN YEARS EVENT

The citizens of Oberammergau made a promise to God when they were spared from the bubonic plague almost 400 years ago. As a result, every ten years, over 2000 local actors, musicians and technicians mount a depiction of the Passion of Christ. Pilgrims from the world, flock to see the spectacle. You can be one of them.

Oberammergau couples with romantic Vienna and Salzburg, and the multifaceted Munich. Colorful characters such as Mozart, Beethoven, Hitler and Maria VonTrapp waltz through the beautiful scenery.
