

ADRIATIC CRUISE

MAY 6-16, 2017

Adriatic Charms with Oceania Cruises

With Croatia, Montenegro, and Serbia as ports of call, this cruise itinerary checks off a host of bucket list items. The additional stops in Greece and Italy round out a picture perfect cruise blending history, culture and elegance. This is truly a value packed adventure.

Luxury should be the middle name for Oceania Cruises. Their ships are elegant and feature the cuisine of Master Chef Jacques Pépin. Distinctive, elegant, stunning, magnificent and impeccable are just a few of the words associated with the Oceania experience.
