

MACGREGOR'S WHISKEY BAR TOUR NASHVILLE, TENNESSEE OCTOBER 20-25, 2024

hosted by Chip MacGregor

www.youngirlstravel.com

Here we go again! After wildly successful trips to Louisville and Scotland, we are taking on Nashville. Is Music City ready for us?

Having lived and imbibed in Nashville, Chip MacGregor has the inside scoop. Will his southern drawl make an appearance?

Join us to find the answers to those burning questions AND learn about the whiskeys of Tennessee.

Distilling has a long history in the Volunteer State. It plays a role in stories of slavery, segregation, prohibition, country music, and car racing. Nashville is a city of richness, and we will explore much of it.

Our itinerary includes a full schedule with 7 whiskey experiences, a plantation visit, a mixology lesson, a blending class, some country music, and the ever-popular line dancing class. We turn some serious alcohol education into a good time.

Grab your cowboy hat and boots to head to Nashville for a good time, with your whiskey lovin' brothers and sisters. Due to the small size of some venues, participation is extremely limit. Act now!
